With Change Comes Renewal – A Changing Of The Guard And Immense Gratitude

I believe that we go through many seasons in our lifetimes, and today I find myself in a transition between seasons. As many of you already know, the 2015 Fair will be my last as OCF General Manager. The Fair has been the single largest presence in my life for the last 22 years and that was true long before I took on the role of paid staff member. I have grown and changed more in the 12 years that I have been on staff, than any other era of my life. The Fair has given me so much over the years, mostly in unexpected and magical ways, and for that I will be eternally grateful.

For some time now, the other parts of my life have been slowly tugging at me to find a new balance for the season I am entering. I believe that a key quality to good leadership is knowing when to stay the course and when it is time to make a change, even though that change may be bittersweet and come with an uncertainty of what the future will bring. I am at a place in my journey where I can make that positive change and by doing so the opportunity for renewal and revitalization opens up for me personally as well as for the Fair.

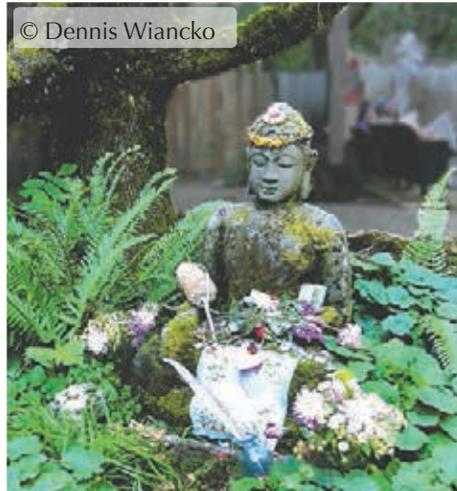

It has been the single greatest honor and privilege of my life to work with you all and to serve this truly unique and amazing community. Even after I am no longer in my staff role, I will continue to participate and serve the OCF in many, many ways. Currently, I am in the process of training our next General Manager who came on board in the beginning of June. It is my pleasure to introduce you all to Tom Gannon, who will be taking over for me at the end of the summer. As I have gotten to know Tom, I have found him to be a smart, thoughtful and a caring presence with a big heart. Tom has the experience, capacity and most importantly, that deep appreciation and understanding of this very special community, needed to lead us through this next season. Tom will bring a new perspective to the leadership that will make us even richer and deeper as an event and as an organization. I know that I will be leaving the Fair in solid shape and in good hands.

You will also find a tremendous amount of exciting and positive change at the Fair this year. Our new six acre path expansion has been years in the making and is finally ready for you to come and explore. It is the biggest expansion we have ever had in a single year. We are all incredibly pleased to invite you to join us in this veritable Avant Garden of delights,

featuring movement arts, large art installations, the Fair's new dance program and of course there will be new food and craft booths and plenty of gorgeous open spaces. The 46th Oregon Country Fair will be bigger and better than ever!

As I transition back to being a Fair volunteer, I will continue to join you in the fellowship of the spirit and surely see you along the way as we collectively walk the path of happy destiny that is the Oregon Country Fair!

With Enduring Love, Gratitude and Amazement,
Charlie Ruff, General Manager

Opening Ceremony: Unity

We are one. We are each other. We are weaving dreams together. We are holding hands in circle. We are one. We are one. Please join us for the 2015 Opening Ceremony at Main Stage on Friday morning at 11:30 as we offer our attention to the Fifth Sacred Element. Honoring our diversity, this ceremony will center on UNITY. Come together in collaboration with community and understanding that all have a place around the circle.

Child Care

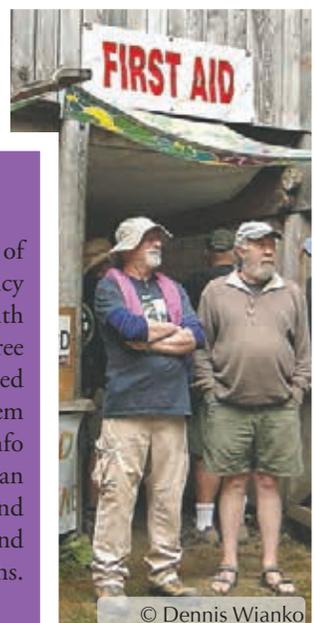

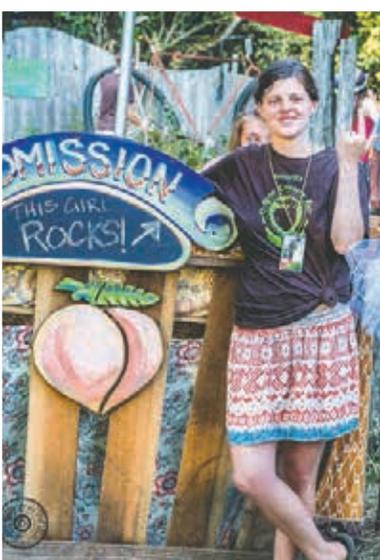

Child Care is a friendly, secure and enriching kid-centered Country Fair experience, welcoming children between the hours of 11:00 am and 6:00 pm for \$2.00 an hour per child. We're available 24/7 for lost kids. There are two locations: Sesame Street at the top of the Figure Eight, past Main Stage near the Ritz Sauna and New Kids on Wally's Way at the front of the Fair near the EZGate entrance and Gypsy Caravan Stage. Both locations offer fun and stimulating activities for our young Fair-goers, including face painting, live entertainment, crafts and many other things. We cannot accept hungry children, bare butts or training pants, but we do offer family-friendly rest areas adjacent to each location.

It's a Wrap! Diapers at the Fair

Located on Wally's Way, BRING Recycling will provide cloth diaper service for our newest generation. Complimentary plastic storage bags and diaper pins are provided as needed. Using this service is a great way to help move the Fair towards zero waste while protecting the health and safety of the Sanitation and Recycling Crews.

Hours: Daily 11:00 to 7:00.

Cost: \$10 per dozen plus a \$25 refundable deposit.

We can be contacted by any staff person carrying a radio or via our internal telephone system located at most major Fair Installations like Stages, Gates and Info Booths. White Bird is centrally located next to the Main Stage with an outpost near the entrance at Odyssey Station and, new this year, a 2nd outpost is opening in the New Area to support our growing footprint and family! Basic First Aid supplies are also available at all INFO Booths. AED's are distributed throughout the site (see the Map).

Access for All

Alter Able Access and Advocacy (4A) promotes equal access for all participants at OCF. 4A provides some equipment loans, sign language interpreters and other assistance as well as advocacy, education and advice. 4A is located in the Dragon's Head at the entrance and also in Community Village.

Recycle Please

The Recycling Crew, working with the Fair food vendors, are doing everything we can to eliminate plastic from the Fair. This year most of the food service ware that you will receive throughout the Fair, including beverage cups, are compostable! Please dispose of all compostable service ware in the green compost receptacles, not the red landfill receptacles. You will find collection kiosks throughout the Fair, often staffed by costumed Recyclers who will happily answer your questions. If you're not sure what goes where, ask a Recycler!

We on the Recycling Crew are dedicated to minimizing the impact that our event has on our land and the planet. To learn more about what we do, please visit the educational recycling kiosk in Energy Park. You might also enjoy our interactive display at the StewardShip booth. Our success depends on you – thank you for recycling responsibly.

INSPIRE TRIBE AT SPIRIT TOWER

Paying it Forward

The Fair is truly rooted in philanthropy with the intention of building community and helping it thrive. We have three grantmaking programs: The Bill Wooten Endowment Fund, the Jill Heiman Vision Fund and Board of Directors Donations. To learn more, wander over to Wally's Way to visit the Galleria Philanthropia booth.

The Jill Heiman Vision Fund exemplifies the Fair's principles of grassroots community action. The fund honors the attorney who helped the Fair become a nonprofit agency and purchase the site.

You can help! Cash, food vouchers and check donations will be matched two-to-one by the Fair, up to \$20,000. Wooden donation boxes can be found at all Info Booths. Donations are tax-deductible; include address for mailed receipt.

Raphael Schnepf: From Posters To Glass Art To Plein Air

Raphael Schnepf graduated from New York's High School of Industrial Art in '54 and Cooper Union Art School in N.Y. in '61, got a BFA degree at San Francisco Art Institute. At this time he sought out every opportunity to ply his great love for posters. After a poster for The Summer of Love got Schnepf a lot of recognition, the Family Dog commissioned the first of seven posters he was to create in '67 and '68. The recognition from this work led to commissions from major record labels for record jackets, posters and even a complete comic book. After rediscovering the airbrush he started developing a photo-real style.

Schnepf's work is to be found in many major collections in Europe, Japan and America. The Museum of Modern Art in New York has one of his posters in the permanent design collection. In the late 70's Schnepf began working with Savoy Studio in Eureka and later Portland, doing glass painting, especially applying paint with airbrush. His latest passion is plein air painting.

Raphael will be signing posters during the Fair next to the Main Stage General Store.

Community Village

Community Village is at the heart of the Oregon Country Fair, located between Energy Park and Main Stage. Community Village is dedicated to education, information access and networking for progressive social change. We work to create a Village Vision of love, peace, trust, justice, cooperation, equality and social service. By believing in dreams, thinking of others, valuing differences and experimenting with new ideas, we hope to expand our consciousness, growing beyond the Fair into the world at large.

A Whole New Rainbow

Rainbow Village is the FIRST ever LGBTQI hub at the Oregon Country Fair! Rainbow Village will provide education, resources, workshops, playshops, and will act as a hub to direct Fairgoers towards LGBTQI events and performances.

Rainbow Village will be housed in the Peace and Justice booth, offering resources and collecting input and support for a shared community Rainbow Village vision. Volunteers will be gaily running through Fair, offering buttons to spread awareness that the space exists. Rainbow Village staff will facilitate daily workshops (see event schedule above).

People often wonder where LGBTQI people congregate at the Fair. This question, combined with the powerful, personal and community transformation that happens within a "safer" container held for a group of people in need of empowerment, community support and refuge, inspired the creation of Rainbow Village.

Find us on Facebook at [OCFRainbowVillage](#) & Instagram: [@ocf.rainbow.village](#); MOST importantly, come by in person and giving us a squeeze!

As a 501(c)3 non-profit organization, the OCF relies heavily on the abundance of donated time, talent and resources of literally thousands of people. We would love to be able to thank everyone individually, but given the limits on our space and your time, here are a few individuals and businesses whose contributions over the past year have extended the Fair's capacity to put on an event of the highest quality and develop our year-round programs. Please join us in thanking and supporting them whenever possible: Andrea Nickel for social media assistance, the gang at TicketsWest; the folks at Travel Lane County; Dana Detric and the amazing staff at the Long Tom Watershed Council; the wonderful Eugene Weekly staff; the Kesey family and The McDonald Theatre; everyone at LTD; Pat Cross from Pacific Benefits; Kim and Jeff from JD Fulwiler Insurance; Carrie Fortier from Jones and Roth, CPA; Pat Walsh and the VOX Group; Dana's Cheesecake Bakery; Tim and Catherine from Our Daily Bread; Eugene Direct Mail Service; Sue Howe; Tom Heneghan and his fire trucks; Dillon and Inbound Northwest Linda Kerr of Go Figure; the generous folks at Groundwork Organics, Sweetleaf Farms & Deck family Farms; Jason Perry and the Honey Buckets crew; Oregon Web Press; Bob Fennessey of the WOW Hall; all the incredibly helpful staff from Key Bank in Veneta and downtown Eugene; the staff at Banner Bank in Veneta; the fine folks from Silke Communications; Jim Biggs from Quantum Telephone; Gary Nelson from Century Link; Dave D'Vanzo and the staff at Lane Electric; and our dear friend Thom Lanfear. Special thanks to Russell Poppe our attorney; thank you for your invaluable advice, professional services and creative work on behalf of the Fair. Members of the Veneta community have worked with us since 1996 to make the event run more smoothly. This year thanks go to Mindy Sandford, Kyle Schauer and Ric Ingham from the City of Veneta; Veneta Mayor Sandra Larsen and all the Veneta City Councilors; Lane County Commissioner Jay Bozeviech; Sgt. Doug Osborne of the Lane County Sheriff's Office; Fire Chief Terry Ney and the staff from Lane County Fire District 1; Lane County Land Management; the Fern Ridge Chamber of Commerce; And last but not never least, there are literally thousands of volunteers who donate huge amounts of time and expertise to the Fair and who deserve recognition for their extraordinary generosity and commitment. From Culture Jam, to Fair Philanthropy, to our ongoing efforts to steward the Fair's resources and promote the Fair's vision and values in all we do, we are blessed by your generosity and creativity. We couldn't do any of it without each and every one of you! Thank you so, so much.

THANK YOU!
