

Request for Proposals 2018 Grants for “Basic Needs”

JILL HEIMAN VISION FUND – OREGON COUNTRY FAIR

The Oregon Country Fair (OCF) honors the memory of Jill Heiman by granting funds to tax-exempt organizations in Lane County. Jill Heiman was an attorney who was instrumental in establishing the Fair, purchasing the site and obtaining the Fair’s non-profit tax status. Although she passed away in 1991, the Oregon Country Fair remembers her vision for philanthropy and the positive impact our organization can have on our community.

The OCF membership voted once again that the 2018 the Jill Heiman Vision Fund (JHVF) target grants and projects related to *basic needs*. Grant proposals of all amounts will be considered. Typical grants in the past have been in the range of \$4,000 - \$6,000, if the impact can be demonstrated and funds are available. Grant proposals for larger amounts will be considered if a strong case is made. The precise amount of money to be allocated will not be known until August or September (following the Fair).

The JHVF is comprised of donations made by the thousands of OCF participants who make the Oregon Country Fair possible. The Board of Directors matches these donations with a portion of the Fair’s revenue. By selecting projects in advance, potential donors to the fund will know how their donations will be spent. This encourages giving. Unfortunately, it also means there is a risk that a selected project will not be fully funded if donations are less than anticipated.

Proposals must be received no later than Friday March 30, 2018, 5:00 pm. Please email a .PDF, .txt or .doc formatted proposal to: office@oregoncountryfair.org.

If emailing your proposal is not possible, please send 9 copies (printed double sided and stapled) to:
