BLAZING COUNTRY ZOO

Embrace the Magic of Oregon Country Fair

The Oregon Country Fair is a magical, dazzling experience. In the woods the Long Tom in July is transformed into a thriving handmade marketplace with delicious food around every bend in the path. The sights and sounds of artwork in motion guide the adventure that culminates in a joyous inner peace. Let the Fair transport and elevate you during your three days under the canopy of trees.

Last year, we faced a myriad of challenges from safety protocols to rain all the way through June. We learned that a lighter attendance creates a more comfortable experience. For this reason, we have chosen to sell fewer tickets again this year. Many reported that last year's Fair with the smaller crowd was a pleasant and enjoyable Fair with the added elbow room.

This year had its own hurdles to overcome. We are a hardy bunch of folks that come together and flourish in times of hardship. We are delighted that the work we have done as a community out of love can bring harmony to our beloved Fair.

This year, the Main Stage is celebrating female-fronted bands and entertainment. This is the first time in our 54 years that we have all women as headliners, and it's about damn time!

Thank you to all the Fairies that come out, twirl about, and bliss out.

-Sincerely, Oregon Country Fair Staff

Child Care [B4 & H2 & K5]

The OCF Child Care Crew is dedicated to bringing the magic of Fair to the youngest among us! We offer a variety of enriching and interactive family-friendly services and activities for kids of all ages. On Sesame Street, at the top of the Eight (past Main Stage near the Ritz Sauna), we provide checked-in, supervised child care with a wide range of programs and activities to delight and entertain. Come visit us on Wally's Way between the Caravan Stage and the Front Porch, where families will find a kid's wonderland, including family-friendly entertainment, our enchanted castle playground, a free library (bring a book, take a book!), and many more hands-on crafting, learning and imaginative play areas.

Child Care Crew is also pleased to provide several fully staffed "Mellow Spaces" throughout Fair: shady, comfortable rest areas where families with small children can get off the path, relax and recharge. You can find Mellow Spaces on Sesame Street (at the top of the Eight across from Ritz Sauna) and on Wally's Way (between our Info Booth and the Caravan Stage). Finally, we're pleased to announce a new presence on the south end of Fair on the Moon Path at the north entrance to Xavanadu. Come see what we're up to!

Rainbow Village [E5]

Located in Community Village, Rainbow Village holds space for queer and trans Fair-goers, prioritizing queer and trans joy. Our space is a collaboration with this community to care for each other, in tenderness and through broader advocacy, stewarded by trans and queer Fair family.

Our space offers queer and trans folks, and their loved ones, a place to connect, commiserate, grieve, explore, honor, seek support or guidance, express themselves or simply rest from the stimulation and bustle of the Fair. We also serve as a point of interaction for all Fair-goers. Come engage with our interactive exhibits, play a game, ask questions, gather resources and more!

Rainbow Village understands that Black, Indigenous and other non-white queer and transgender people face disproportionate rates of violence and harm. We are deeply committed to antiracism and to uplifting the work, voices and leadership of BIPOC.

Rainbow Connection [N5]

Welcome to the 2nd year of the LGBTQIA+ affinityspace: The Rainbow Connection! We believe cultural change comes from our collective voices letting those in power know what we need to be safe and cared for. Please come lend yours! Check out our schedule on the workshops page.

Located in Xavanadu, we are an affinity space ONLY for LGBTQIA+ folk to:

- Take a break from heterosexual and cisgender culture
- Create culture and rites of passage
- Just "be"
- Unabashedly express ourselves
- Celebrate the fluid and expansive universe of gender & sexuality
- Acknowledge the power of diversity within intersectional identities
- Grieve
- Activate
- Explore
- Honor our LGBTQIA+ elders and history
- Vision our future

We acknowledge this space is on the ancestral and unceded territory of the Kalapuya. We honor indigenous two-spirit beings and will not tolerate appropriation of two-spirit identities. We honor that LGBTQIA+ BIPOC are impacted by violence and oppression disproportionately, and we will center these voices when present.

Allyship

We will be offering a space to gather and explore what it means to show up for communities that we are not a part of. Join us for group conversations to help us move from theory into action. Explore what can get in the way, and gain some tools to become more resourced, informed and resilient. Friday at 1 p.m. and Saturday and Sunday at 1 p.m. and 4 p.m. See workshop descriptions in the Peach Pit schedule for topics and descriptions.

Oh, the places you'll Go...

Chela Mela Meadow: Stretch your wings along the banks of the Long Tom River [K7]

Chela Mela invites you to create, play, chill and dance. We have assembled musicians from across the world and across town to entertain you at the Monkey Palace. Enjoy some lounge time in the Cuckoo's Nest. Learn to juggle at the Yes You Canopy; we supply the toys. For young ones with a creative streak—stop by Five Fingers of Fun for an original craft project. Grab a bite from our amazing food booths, and stroll through Wooten Way for crafts and bodywork.

Want to parade? Check out Dragon's Lair. Join in before 1:45. You can get painted and parade through with Peachi the Dragon and her drummers.

Looking for something quieter? The Dharma Garden offers a peaceful retreat under a giant tree by the side of the river. Join in the yoga classes at 12:00, 2:00 and 4:00.

The Mighty Tiny Puppet Theater presents traditional and original stories with a range of styles. Kids and adults gather under the red, yellow and black tent to experience puppetry on the Fair's tiniest stage.

Twice a day, at the Morningwood Odditorium, Fremont Players present Little Red Ridinghood and The Three Little Pigs. Will Red Ridinghood deliver her basket of goodies to Grandma's house in time for Happy Hour? Will the three pigs, Binkie, Pinkie and Clem get scared off their land? Will Prince Rupert the Snood ever grow up and think about anyone but himself? Get yourself to the Odditorium to find out—12:00 or 3:30 daily. British-Panto encourages audience participation: come and boo The Villain—Mayor Smallberries. Cheer for our heroine, Red Ridinghood. Tap your feet to the mellifluous stylings of the Fremont Philharmonic Orchestra. The Players present their original version of this traditional story, bursting with songs, jokes, physical comedy and wit for all ages.

The Still Living Room [H5]

Looking for a quiet place to relax or learn some Fair history? Stop by the Still Living Room, located on Strawberry Lane, between Jill's Crossing and The Junction. Elder volunteers create this special place for Fair goers to relax and enjoy the magic and ambiance that make the Fair special. There's plenty of seating and shade for quiet repose or conversation, a place to honor those who have passed from this worldly plane, and gorgeous displays that convey Fair history. Stop by and savor the moment!

Keeping it Green

To demonstrate our commitment to making an event built on sustainability and care for our planet, the Fair has identified reducing our carbon footprint as an important area where we can have an impact. Fair staff and volunteers are engaging in understanding our current carbon impacts to identify areas where we can make significant improvements. Xavanadu hosts a demonstration of composting toilets so we can see if this is a technology that will help meet the Fair's needs and goals. Reducing individual automobile trips to the Fair is one of the most obvious and clear ways to reducing carbon emissions. Thank you to everyone who bicycled, carpoled or took the bus to the Fair!

...More Fair Essentials...

Medical & Crisis Response [D5 & L3]

As it has since dinosaurs roamed the Earth and birds learned to fly, the White Bird Rock Medicine crew is returning to OCF to provide its unique brand of medical and crisis intervention services! We want to remind you that White Bird is the emergency response at the Fair and dispatches trained medical and mental health professionals to incidents anywhere on site as needed. We embrace a Harm Reduction approach to compassionate care and all services are free and confidential. Each of our two stations has doctors available 24/7 throughout the event.

Don't call 911 (seriously – please don't), call White Bird! We can be contacted by any staff person carrying a radio or via OCF's internal telephone system (Tinker Bell) located at most major Fair installations like stages, gates and Info Booths. We will come to you!

White Bird's traditional home, Big Bird at booth #243 next to the Main Stage Meadow, will be open 24/7 from 8:00 a.m. Wednesday through 8:00 a.m. Monday.

Our full-service second medical station, Little Wing in Xavanadu near Wind Gate, will be open 24/7 from 8:00 a.m. Thursday through 2:00 p.m. Monday.

Basic First Aid supplies are also available at all Info Booths. A.E.D.'s are distributed throughout the event site (see the Map).

Now take a deep relaxing breath, unclench your jaw, and come frolic in the whimsy, knowing we are there to catch you if you fall!

Our Safety Plan

The Oregon Country Fair will continue to take preventive measures against the spread of COVID-19 and will follow the recommendations of Lane County Public Health and the Oregon Health Authority. While the OCF encourages everyone who is able to be vaccinated against COVID-19 to do so, proof of COVID-19 vaccination is not required at this time for entry to Fair-owned property or sponsored / sanctioned events.

Alter Abled Access & Advocacy [K4 & E5]

Access Advocates for the Alter Abled (4A) promotes equal access for all participants at Fair. 4A provides some equipment loans, sign language interpreters and other assistance as well as advocacy, education and advice. 4A is located in the Dragon's Head at the entrance and in Community Village. An interpreter will be available for up to one hour from 11-4 each day.

Recycling

The Recycling Crew, working with the Fair food artisans, is doing everything we can to eliminate plastic from the Fair. All of the food service ware throughout the Fair, including beverage cups, is compostable! Please dispose of all compostable service ware in the green compost receptacles, not the red landfill receptacles. All utensils you receive will go in the utensil buckets located at each kiosk in the Fair. You will find collection kiosks throughout the site, often run by costumed Recyclers who will happily answer your questions. If you're not sure what goes where, ask a Recycler!

Black Indigenous Person of Color (BIPOC) Oasis ^[M5]

This is a safe space for Black and Brown people to gather and create community in an otherwise white environment. The Oregon Country Fair (OCF) can be an overwhelming place for the uninitiated. It's bombastic, densely populated and there is a lot to do and see. Come fellowship, explore with people who share cultural similarities! We at the BIPOC Oasis offer shelter from the proverbial storm.

We support rest above all else. Resting of the body, mind and soul to reduce stress and increase enjoyment. Shed the mask, take up space, be seen, be heard, be unapologetically Black and Brown and experience joy as resistance. Regroup, reclaim your authentic self in our non-judgmental support space. Find positive nourishment and motivation with members of the OCF BIPOC community.

We acknowledge that the spaces and resources that we seek are not just a matter of convenience or preference but a response to the systematic injustices that have been inflicted upon our community. We acknowledge that the power and strength of life is standing together and choosing to enjoy any aspect of that life is a radical Act. We reject the idea that violence, injustice, discrimination, prejudice, and dominance over others are normal and acceptable acts. This space is dedicated to the needs and experiences of Black and Brown individuals.

BIPOC Oasis Schedule

Friday 1:00-2:00 BIPOC Meetup: at Oasis, come visit, greet, and meet the members of OCF BIPOC community.

Saturday 2:00 Black Joy Meetup: Join us at the Dragon for a Guided OCF tour through the Fair and Fellowship with us at the Oasis.

Sunday 3:00 Seeds of Integration: Come voice your thoughts, ideas and concerns about the future of the OCF BIPOC Oasis.

...Still More Essentials...

We on the Recycling Crew are dedicated to composting everything we can and minimizing the impact that our event has on our land and the planet. To learn more about what we do, please visit the educational recycling kiosk in Energy Park. You might also enjoy our presence at the StewardShip booth in Xavanadu. Our success depends on you – thank you for recycling responsibly.

Commemorative Sales ^[I3 & J4]

Commemorative Sales has all of your 2023 OCF merch! We will be carrying the usual staples with this year's beautiful poster artwork from Emily Poole and some other fun graphics. Come shop for posters, crew neck t-shirts, tank tops, a limited number of sweatshirts and hemp beanie hats, map bandanas, and versatile tote bags. Commemorative Sales has three locations at the Fair: Left Bank History Booth, a spot right next to Odyssey across from the Rabbit Hole, and a beautiful booth next to Dance Pavilion at Xavanadu. Can't wait to see you there!

General Store ^[B4]

Have your ears been needing new tunes? For more than 30 years, the General Store #297 has been a courtesy booth selling entertainers merchandise from the many stages. Conveniently located next to KLCC and Main Stage, you can find vinyl, CDs, t-shirts, and other fun gear from many Fair favorites. We also carry limited quantities of Oregon Country Fair Commemorative merchandise. Be sure to stop by and directly support the entertainers with your purchase!

History Booth ^[I3 & J5]

They say history is a mystery, but at OCF's History Booth, we try to light the way with displays at two locations! Our Wally's Way location, "History at the Front Porch," displays over 50 years of Fair posters. The 2023 poster, by artist Emily Poole, is designed to inspire and educate about the natural world. Join the Great Wall of Fairies by having your photo taken next to the poster of your first Fair!

© Richard Souther

Then wander over to the "Photo Gallery" at our Left Bank location, where we are excited to present work by esteemed rock photographer Jay Blakesberg! His photographs of stages, paths and audiences truly capture Fair moments. Don't miss Jay's artist talk at The Rabbit Hole on Saturday at 12:00—he is funny and endearing and is sure to entertain!

Shout out to History Booth founder, Camille Cole, who returns to OCF this year with a new book, "The Midnight Show." Catch her at The Rabbit Hole several times over the weekend and be sure to find Camille and Jay's new books at the Spoken Word merch booth!

...and Go...

Craft Demonstrations [A3]

Every day from 11:00 to 7:00 at Black Oak Pocket Park (across from the Ritz Sauna) craft-making will be demonstrated. Creating space for artisans and chefs to sell their creations has always been a foundational tenet of the Fair. We highlight the processes by which some of these arts and crafts are created. Have you ever wondered how they made that wonderful thing? Don't miss this opportunity to be inspired and educate yourself about what it takes to create some of the art you so admire.

Youth Crafts Booth: Creativity Incubator [K5]

The Youth Booth is celebrating its 24th anniversary! The Youth Booth was founded by youth artists and was made an official Fair craft booth in 1999. It is located at #L78, is still run by some of its founding members, and proudly features the work of today's young artists. It is often the first place Fair youth can show and sell their talents and wares. Many have gone on to become adult artisans, making a living with their crafts. So come out and support our youth and our future by visiting and supporting The Youth Booth!

Choosing Consent

The Fair is working to be a space that is free of oppression and coercion, where people feel free to be their most authentic selves. This becomes possible through cultivating a culture of consent, where the whole community comes together to create a space where each individual is heard, valued, and safe. We hope that you will be part of creating this space through listening to others and respecting their boundaries, reaching out when something does not seem right, and continually being open to learning from others' perspectives.

Each and every person is part of the solution. This is a paradigm shift from how the un-Fair world has operated and by opening our hearts and minds we can hold our community to a higher standard. If you have been a victim of unwanted contact or have witnessed this behavior, please seek help from White Bird who can be reached by telephone from any info booth. Please hold each other in loving respect.

Smokin'

To allow smokers and non-smokers to live in harmony, we ask those who smoke or vape tobacco to only smoke in designated smoking areas. When you see the butt-cans, you will know you have found a smoking area.

Help us spread awareness by respecting each other, not smoking on the paths or in stage audiences, putting your butts in the butt-cans and helping each other locate the nearest smoking area. There is absolutely no cannabis smoking or vaping allowed at the Fair. Together we can all have a smokin' good time!

...and Keep on Going...

Energy Park: Finding Solutions [F4]

Energy Park demonstrates alternatives that we can use to reduce our carbon footprint. We let the sun guide our way, using solar power to heat water for showers and provide electricity for the fabulous sound emanating from Kesey Stage. We can help you charge up your electronics at our solar powered cell phone charging station. Come in and use some of our collected sunlight to keep your communications going.

While you wait for that to happen, look around Energy Park. You can find people here who are experts in the fields of renewable energy, organic farming and resource-mindful living. Many non-profits, businesses and advocacy groups set up educational exhibits and demonstrations that show some of the alternative energy solutions possible today. Returning this year are some old favorite booths such as Bring Recycling and Peace Seedlings. And the solar cooking parabolas are coming back too. Explore Energy Park's kid-friendly demonstrations about solar power, wind energy, hydro power technologies and more. Discover our greenest zone, Ag Alley, to see showcases of heirloom vegetables and flowers, along with a look at the future of small farms. All in all, Energy Park is a place to find all kinds of solutions.

Imagerium Portrait Studio: Un-Selfies [I3]

Your Fair Photography Team is thrilled to put our hearts and souls into capturing the visual magic that is the Oregon Country Fair each and every year. Photographing the people, performances, costumes, booths, workers, setting and decorations is an annual highlight for us as a team and we do our best to document and capture the beauty and magic of OCF to memorialize each year for generations to come.

Our Imagerium Photography Studio Booth is located next to Commemorative Sales and across from The Rabbit Hole just beyond Bus Admissions. This portrait studio provides all Fairgoers a chance to have professional quality portraits taken of themselves and their group during their visit, free of charge. Fair attendees will be able to access their photos from their computer or other device. You will be able to download your professional portrait for \$1.99 at: ocf.smugmug.com/. You can order prints or keepsakes. We trust this will allow people to increase their connection to the Fair, allowing them to always remember their time with us.

While you're there, please take a minute or two to meet your official Fair Photography Team and start making this year's memories!

Building a Better World Through Spoken Word!

Another world is possible—one where we listen to each other and honor the glorious diversity of our planet. Wanna hear more? Come to Spoken Word's four stages: Spirit Tower [15], Front Porch [12], Rabbit Hole [13] and Chez Ray's [K6]. Our speakers this year have been preparing for months, even years, to inspire your soul. Topics range from psychedelics and poetry, to harm reduction, sex worker solidarity, and bringing ritual into our everyday lives. We've even got a rainbow-eating dragon!

This year, our authors include Cheyenne poet Renée Roman Nose and Feminine Linguist Kym Trippsmith. No Simple Road and the Courage Checklist Podcast will be taping live shows and interviews on our stages.

It's also our pleasure to host our first-ever Drag Story Hours in the Rabbit Hole, featuring performers from our first-ever Drag Show in 2022. The Drag Show itself was so dang popular it has graduated to Dance Pavilion for 2023, you won't wanna miss it.

Spoken Word is about connection! We're hosting morning song circles, a new kids' open mic on Chez Ray's, a youth wisdom panel, and a meetup for Fair writers! There's no joy like getting our community on stage.

Plus, all our shady Rabbit Hole programming is family-friendly, so come for Tom Noddy's bubbles and stay for Tzula Propp Harping on the Quantum World or the antics of Dr. Atomic. And don't forget to stop by our new bookstore location next to Rabbit Hole to bring the magic of the written word home!

...and There You'll Be.

The Ritz: Not Your Typical Hot Spot [A4]

Welcome to the Ritz Sauna & Showers, booth #W34, located on Sesame Street, just down the path from Main Stage.

Since 1976, the Ritz has provided OCF Family and Fairgoers with a unique, communal bathing experience. We offer open-air, public and private showers, two large saunas, live music, multiple drying fires and two reservation-only, deluxe bathtub rooms.

The Ritz is an art-filled spa environment that rejuvenates the mind and body and is alter-able accessible. Services include a staffed valuables check, concessions and towel rental.

We host a Women's Only time, Friday afternoon from 4:00-5:30.

2023 Poster Artist

Emily Poole (www.epooleart.com, @epooleart) is a natural history illustrator, raised in the Rockies and now rooted in the mossy hills of Eugene. She received her BFA in Illustration from the Rhode Island School of Design in 2016 and has created work for numerous organizations including the National Museum of Wildlife Art, Mt. Pisgah Arboretum, Sasquatch Books and High Country News. Emily creates images with the goal of inspiring and educating about the natural world and what we can do to be better stewards of the land. Her concept for the 2023 poster is a follow-up on the theme of the previous year: now that the Fair has come out of hibernation, a parade of flying animals swoop in to bring food, music and craft to the Fair site. The space that many Fairgoers may know as a parking lot is a lush field of camas every spring, represented in the poster to continue the themes of return and restoration. The biodiversity of the animals and the gifts they bring speak to the abundance of perspectives, skills and energy that Fair guests, staff and volunteers bring to the event each year.

Emily can be located at the OCF Poster Artist Booth just inside the main Dragon Admissions entrance to the Fair, as one enters into the Left Bank.

Do you want an opportunity to design a poster for an upcoming Fair? Please share some samples of your work or a link to your portfolio. For more details and an extensive gallery of past Fair posters, visit oregoncountryfairposter.com.

Altared Space: Contemplate & Meditate [E7]

You are invited to visit Altared Space to take a moment to ask for blessings at a beautiful Sacred Altar; to contemplate with the Lotus Fire; to meditate in a sweet Wooded Area; to write your Prayers, Hopes and Dreams on special Scroll; and to ask advice from Skilled Advisers. Donations offered to Altared Space go to support scholarships for the OCF's Culture Jam Youth Camp. Visit us at this special spot along Strawberry Lane.

Fair Roots [H5]

Leading the Way, a beautiful display, gives a brief overview of the social and political issues of the 60s that the Fair grew from and highlights areas of the Fair that still reflect these ideals. Also, the first 50 years of the Fair's history is illustrated in timeline form for a better understanding of where we came from. These will be on display all weekend at the Elders' Still Living Room.

Thank You

As a 501(c)3 non-profit organization, the Fair relies heavily on the abundance of donated time, talent and resources of wonderful volunteers. We would love to be able to thank everyone individually, but given the limits on our space and your time, here are a few individuals and businesses whose contributions over the past year have extended the Fair's capacity to put on an event of the highest quality and develop our year-round programs. Please join us in thanking and supporting them whenever possible: James Bateman for advertising and media assistance; the gang at TicketsWest; the folks at Travel Lane County; the amazing staff at the Long Tom Watershed Council; the Kesey family and The McDonald Theatre; everyone at LTD; the teams from Verizon and T-Mobile; Kim from JD Fulwiler Insurance; the generous folks at Groundwork Organics; Mountain Rose Herbs; Territorial Seed Company and Tom Verhoeven at Peoria Gardens; Jason Perry and the Honey Buckets crew; The WOW Hall; all the incredibly helpful staff from Key Bank in Veneta and downtown Eugene; the staff at Banner Bank in Veneta; the fine folks from Bear Comm; Barb O'Reilly from Jerry's; Dave D'Vanzo and the staff at Lane Electric; and our dear friend Thom Lanfear. Special thanks to our land use attorney Michael Gelardi and Amanda Walkup our corporate attorney; members of the Veneta community who have worked with us since 1996 to make the event run more smoothly. This year thanks go to Mindy Sandford, Kyle Schauer and Ric Ingham from the City of Veneta; thank you to Veneta Mayor Keith Weiss and all the Veneta City Councilors; Andy Strickland

and the Dodeca Art Farm for their years of support, Lane County Commissioners; Sgt. Steve Sieczkowski, Chief Deputy Wilkerson, and Lt. Billy Halverson of the Lane County Sheriff's Office; the staff from Lane Fire Authority; Lane County Land Management; the Fern Ridge Chamber of Commerce; and last but not least, all of the volunteers who donate huge amounts of time and expertise to the Fair and who deserve recognition for their extraordinary generosity and commitment. From Culture Jam, to Fair Philanthropy, to our ongoing efforts to steward the Fair's resources and promote the Fair's vision and values in all we do, we are blessed by your generosity and creativity. We couldn't do any of it without each and every one of you! Thank you so, so much.

THE PIT CREW IS

Philanthropic Phairies

The Fair has been rooted in philanthropy since it began as a fundraiser for a children's school program. Our philanthropy is focused on building community and helping people thrive.

We have three grantmaking programs that together have donated more than \$1.5 million: The Bill Wooten Endowment Fund, the Jill Heiman Vision Fund and Board of Directors donations. To learn more, wander over to Wally's Way to visit the Galleria Philanthropia booth or visit oregoncountryfair.org.

Jill Heiman Vision Fund

Four nonprofit groups with proposals related to the environment and sustainability will receive grants from the donations made to the Jill Heiman Vision Fund at this year's Fair.

- **Centro LatinoAmericano** will offer programs and workshops such as seed-saving and basket-making through its Líderes (Leaders) program in the Organic Community Garden. The program helps participants develop leadership skills and build a support network as families learn to grow, harvest, and process organic food.
- **Community Supported Shelters** will install greywater filtration systems to provide an environmental approach to wastewater in their Safe Spot Communities. CSS is working with the University of Oregon's Landscape Architecture and Environmental Studies to build the four-planter filtration systems.

© Lane Weinberg

- **Looking Glass** will purchase tools and gear for the Lane-Metro Youth Corps for projects that will restore natural resources around Lane County.
- **Northwest Center for Alternatives to Pesticides (NCAP)** will boost awareness of communities impacted by pesticide use through a media campaign and radio show outreach.

Look for donation boxes at Information Booths around the Fair. Food vouchers, cash or checks may be donated. Checks and cash donations are tax-deductible; please include your address.

Bill Wooten Endowment Fund

The Bill Wooten Endowment Fund awarded a total of \$15,000 to support nonprofit organizations serving youth in the Fair's neighboring communities in the Fern Ridge area. The grants tangibly represent the Fair's deep appreciation of our home community.

Annual Endowment Funding:

- **Culture Jam:** Fern Ridge area youth received scholarships to attend this eight-day arts-based empowerment camp for teenagers held each summer at the Fair site.
- **Fern Ridge Middle School:** The school purchased additional band instruments, enabling more students to participate in their popular band program.
- **Lane Arts Council:** Fern Ridge area children participated in a local "All About Art" immersive summer camp, which blends an exploration of ecology with diverse experiences in the arts.
- **Rural Art Center:** The Crow-Applegate-Lorane School District depends on the Center to provide after-school multi-cultural art instruction on shortened school days.
- **Veneta Elementary School:** An artist-in-residence taught all students about the science and method behind tie-dyeing. Students then created wearable works of art, which they displayed at a "Strolling Art Gallery" during parent-teacher conferences.

© Ben Ammon

- **Wordcrafters:** This collaborative project with Elmira High School provided an arts residency focusing on spoken word writing and performance.

Leslie Scott Imagine Grant Award

The annual Leslie Scott Imagine Grant Award is recognition given to the endowment-funded project that best represents former Fair General Manager Leslie Scott's contributions to the Fair, which included: providing opportunities for youth, reaching out to our neighbors, and nurturing creativity of all sorts. This year's awardee was Wordcrafters.

Archaeology Park: Super Old School-ing [B8]

Join us at Ark Park and step back in time along the banks of the Long Tom River. Regional archaeological studies during the 1980s found more than 10,500 years of cultural history on the grounds of the Oregon Country Fair. At Ark Park's museum display you can talk to our archaeologist and learn more about the Fair's educational, research, and preservation efforts. Learn about the Kalapuya people, their history

and the world they lived in then and today. The archaeological sites we care for are part of a larger system of sites along the river. Find out how the Kalapuyans managed their landscape and harvested its bounty. Check out the Ark Park buildings of hand-split cedar, built with traditional construction methods. Visit with true artisans as they show you flint knapping, fire making, hide tanning and basketry.

At the trade-booth, you can learn about ancient skill gatherings or purchase replicated artifacts and instructional books produced by our demonstrators. This year we have several special events, including daily live cedar planking demonstrations and some archaeological celebrities. See below for workshop times or just stop by and learn something new about some very old skills.

Community Village: A New Day for Change [E5]

Located between Energy Park and Main Stage, Community Village is dedicated to education, information access and networking for progressive social change through social action, music and art via outreach and workshops for all, including children. We work to create a Village Vision of love, peace, trust, justice, cooperation, equality and social service, by believing in dreams, thinking of others, valuing differences and experimenting with new ideas. We hope to expand our consciousness, growing beyond the Fair... into the world at large. Come gaze into the future, see the peaches of our past, and stand up for a new Day of Change.

XAVANADU

Xavanadu is a large grassy meadow with clusters of mama oaks and islands of spirea, surrounded by its tall friends, ash, maple and more. Seasonally transitioning from wintry fluvial floods to summery flocks of Fair family, Xavanadu is an open air wonderland showcasing art, performance, stewardship that offers space to learn, play, dance, flow, nourish, shop, relax and more!

Xavanadu Art Program

Your time is near, the mission's clear: wander through Xavanadu and discover art from friends new and old. **FLEUR DE LUX** by team Kinsculpt takes inspiration from both nature & technology, as the totally botanical inflorescence regularly blooms to life. Who better to gather from a pitcher of nectar than a flutterby named **GONZO THE GREATER**, created with the whimsy and flair that Tyler FuQua Creations lives and breathes. Gather and get creative beneath Portal Arts Collective's **COSMIC CRUSTASHIP**. Shuffle sideways under this crabbily creative collaboration and be transported to a recycledelic future of convergent evolution. **AURORA RAINBOW SPARKLES** is the Urban Garage Unicorn by Jonas Hartley and crew to honor the legacy of a festival friend, and those like him who are no longer with us in this earthly plane. School may be out for summer, but Artist Rob Leonard from Mathscaper is back with **THE NEEDLE**, a mesmerizingly tactile glimpse deep into stunningly elaborate regions of the Mandelbrot set fractal. Clay McCabe and Yona Appletree wow us with a candied **AMANITA muscaria**, as blingy as the real thing, but we wouldn't eat it if we were you! Can you find it? Wes Shafer creates another in his series of fascinating acrylic pours, **AQUARIUM**. Be sure to peek in every nook and cranny because surprises await the curious.

Culture Jam Teen Empowerment Camp!
