Enjoy the Art & Splendor of Oregon Country Fair

Welcome to the Oregon Country Fair. You have a truly magical experience ahead. Let yourself be transported into a realm where you can feel open and free and time slides by with ease. The Fair is not only a space where you can let your fairy wings fly and your sparkles shine, but it's also an intentional community of makers and performers that come together annually in this space. Dance and dine, shop and learn, slow your roll and let your authentic self lead your way.

Our mission is to create events and experiences that nourish the spirit, explore living artfully and authentically on earth, and transform culture in magical, joyous and healthy ways.

You are part of cultivating that mission. When you attend the Fair, you bring the joy and the bliss into this space to share with others. Every ticket sold means more funding for our philanthropic efforts in the local community. We have proudly given over a million dollars to worthwhile organizations in our community due to the support of people like you. We offer our sincerest thanks.

Wander and explore the path and let it lead you to your bliss.

-Sincerely, Oregon Country Fair Staff

Craft Demonstration Site [A3]

Release your artistic talents and create crafts for free! Join our talented crafters/teachers at the wondrous Pavilion across from Ritz Sauna for demonstrations, inspiration and support. You can choose from jewelry, pottery, felt making, painting, tie-dye and more. Maybe you'll even become a future Craft Booth person! All ages welcome, minors must be accompanied by an adult.

Youth Crafts Booth 25th Anniversary! [K5]

We proudly feature the work of today's young artists! We are often the first place Fair youth show and sell their talents and wares, and many have gone on to become adult artisans, making a living with their crafts. The Youth Booth was founded by youth artists in 1999 and is still run by some of our founding members. Come out and support our youth and our future!

Choosing Consent

The Fair is working to be a space free of oppression and coercion, where people feel free to be their most authentic selves. This becomes possible with a culture of consent, where the whole community comes together to create a space where each individual is heard, valued and safe. We hope you will be part of creating this space through listening to others and respecting their boundaries, reaching out when something does not seem right, and continually being open to learning from others' perspectives.

Each and every person is part of the solution. If you have been a victim of unwanted contact or have witnessed this behavior, please seek help from White Bird Rock Medicine which can be reached by telephone from any info booth. Please hold each other in loving respect.

...and Go!

Energy Park [F4]

Imagerium Photography Studio Booth [I3]

Your Fair Photography Team is thrilled to put our hearts and souls into capturing the visual magic each and every year. Photographing the people, performances, costumes, booths, workers, setting and decorations is an annual highlight for us and we do our best to memorialize each year for generations to come.

We love offering professional quality portraits of you and your group. You will be able to download your free social media suitable portrait at ocf.smugmug.com. We hope to increase your connection to the Fair by allowing you to always remember your time with us. Come meet your official Fair Photography Crew and start making this year's memories!

The Ritz [A4]

Since 1976, the Ritz has provided a unique, communal bathing experience. We offer open-air, accessible public and private showers, two large saunas, live music, multiple drying fires and two reservation-only, deluxe bathtub rooms. Services include a staffed valuables check, concessions and towel rental. We host a Women's Only time, Friday from 4:00 - 5:30. Join us for an art-filled spa environment that rejuvenates the mind and body.

Native American Arts & Crafts Market [M4]

In a celebration of cultural diversity and artistic expression, the Native American Arts & Crafts Market is set to join the Fair this year in Xavanadu. This exciting collaboration promises to amplify indigenous voices and showcase their rich heritage to a wider audience.

Featuring a vibrant array of traditional and contemporary arts and crafts, the market will offer Fairgoers a unique opportunity to engage with Native American artisans and learn about their craftsmanship firsthand. The inclusion of the market aligns with the Fair's commitment to inclusivity and cultural appreciation. By providing a platform for inter-tribal Native American artists and crafters to share their talents and stories, the Fair aims to foster cross-cultural understanding and celebrate the diverse tapestry of this region's Native American communities.!

The OASIS: Your BIPOC Sanctuary [M5]

Greetings Fair Family! We are excited to introduce the 2nd year of The OASIS in Xavanadu. In a dedicated effort to welcome our BIPOC (Black, Indigenous, People of Color) community, we proudly present a BIPOC affinity space. Our porch is open to all as an ally gathering area, where you will experience joy as resistance through fellowship, entertainment, games and rest. BIPOC Sanctuary, located inside The Oasis, is a safe space to gather and create community.

The Fair can be an overwhelming place for the uninitiated. This sanctuary is your safe and personal space to connect and relax your body, soul and mind. Nurturing a sense of community, we offer shelter from the proverbial storm. We are here to ensure the Fair is a place where every individual is genuinely celebrated. Come fellowship or ask an Oasis outreach member for the way.

We acknowledge that the spaces and resources that we seek are not just a matter of convenience or preference, but a response to the systemic injustices that have been inflicted upon our communities. We acknowledge the power and strength of life is standing together and supporting one another. We acknowledge that choosing to enjoy any aspect of that life is a radical act. We reject the idea that violence, injustice, discrimination, prejudice and dominance over others are normal and acceptable acts.

Commemorative Sales [I3 & I4]

We have all of your 2024 Fair merch! We will be carrying the usual staples and some new items, all with this year's poster artwork and other fun graphics. General Store [B4]

Have your ears been needing new tunes? Stop by for vinyl, CDs, t-shirts and other fun gear from your favorite Fair entertainers. You'll even find limited quantities of commemorative merchandise! For more than 30 years, the General Store has been directly supporting entertainers from the many stages.

Rainbow Village [E5]

Located in Community Village, Rainbow Village holds space for queer and trans Fair-goers, prioritizing radical joy. Our space is an active collaboration with this community to care for each other in tenderness and uncompromising advocacy.

We offer queer and trans folks a place to connect, commiserate, celebrate, grieve, explore, honor, seek support, express themselves, or simply rest from the stimulation and bustle. Our space is a point of serendipitous connection for all Fair-goers. Come gather resources, craft, play a game, act in solidarity, ask questions, or see what other surprises we have in store!

Rainbow Village recognizes that Black and Indigenous queer and transgender people face disproportionate rates of violence and harm. We are deeply committed to antiracism and to uplifting the work, voices and leadership of BIPOC.

History Booth [J3 & J5]

They say history is a mystery, but we try to light the way with displays at two locations!

- History at the Front Porch on Wally's Way features over 50 years of Fair posters by dozens of artists. Have your photo taken next to the poster of your first for the Great Wall of Fairies!

- Our Left Bank location features Fair photos. Check out esteemed rock photographer Jay Blakesberg's photos that capture so many magic Fair moments through the years, and photographer Kitty Green's very familiar characters she's found along the paths.

You can now order old Fair posters at merch.oregoncountryfair.org!

92.7 KOCF-FM Fern Ridge Community Radio [L3] [Alcove stage at X-6]

Keep the Fair in your heart year-round with the music you love at kocf.org. From reggae and psych rock to blues and rock and roll to indie and grunge, new programs are created each week throughout the year by a mind-blowing cadre of talented producers and volunteers.

Stop by our stage The Alcove for a variety of acts throughout the weekend, or tune in to listen to live on-stage performances and sets from our DJs in between bands. In addition, starting at 9:00 pm each day we'll broadcast daily recordings of the performances at the Hoarse Choral. We will also provide important Fair-related announcements and updates throughout the day! KOCF could not happen without the incredible support of our volunteers. Thank you to everyone who made another great year possible! If Fern Ridge Community Radio sounds like something you might want to get involved with, visit our website (kocf.org) or Facebook page to get in touch, learn more, read about volunteer opportunities, and, most importantly, listen to the music you love!

Smokin' [B6, B8, C4, F6, K3, K6, L4, L7]

To allow smokers and non-smokers to live in harmony, we ask those who smoke or vape tobacco to smoke only in designated smoking areas. When you see the butt-cans, you will know you have found a smoking area.

Help us spread awareness by respecting each other, not smoking on the paths, not smoking in stage audiences and helping each other locate the nearest smoking area. There is absolutely no cannabis smoking or vaping allowed at the Fair.

Rainbow Connection [N5]

Also new this year is the latest Timeline, highlighting the Fair's history from 2010 until our 50th anniversary, and an 8-minute video exploring the birth of the Fair. Oregon Art Beat

Exciting news: the Fair will be featured on Oregon Art Beat! When Eric Slade with Oregon Public Broadcast (OPB) reached out this spring, we welcomed the chance to document the process of transforming the Fair site from its winter condition into the striking and immersive space you see annually. We are proud of our 55 years of bringing thousands of volunteers together to collectively build this spectacular wonderland for all to enjoy. We will announce the air date at a later time. Thank you to Eric and the crew at OPB for this auspicious opportunity.

Spoken Word Stages

Across four stages, Spoken Word delivers a stratospheric lineup: Hip Hop legend Medusa the Gangsta Goddess, Portland poetry icon Alex Dang, NYT bestselling fantasy author Laini Taylor and an epic author panel and book signing that includes the amazing Reggie Watts.

Expect that we'll break your heart and knit it together again with the words of our comedians, poets and storytellers. We're also offering self-love rituals, accessibility advocates, harm reduction experts and arborists who specialize in the coming impacts of the emerald ash borer.

Our little bookstore next to Rabbit Hole is offering a very peachy souvenir stamp for the cover page of every purchase. Stop by, support fair authors and pop into the Rabbit Hole afterwards for the Drag Story Hour or the kids workshops on how to get published. Let the sweetness of spoken word run through your ears like luscious ripe peach juice down your chin!

Artist Bio

Emily Poole (epooleart.com, @epooleart) is a natural history illustrator, raised in the Rockies and now rooted in the mossy hills of Eugene. She received her BFA in Illustration from the Rhode Island School of Design in 2016 and has created work for numerous organizations including the National Museum of Wildlife Art, Mt. Pisgah Arboretum, Sasquatch Books and High Country News. Emily creates images with the goal of inspiring and educating about the natural world and what we can do to be better stewards of the land.

Emily's concept for the 2024 poster is the culmination of the theme of her trio of poster designs from 2022-2024. The Fair has come out of its year of hibernation, the many hands of volunteers and staff have come together to build the event, and all that's left now is to attend the party! The reclining fox in the shady tree canopy above the loud and dusty parade on the path represents the dual sides of the Fair, where some come for rest and relaxation and some come for high excitement. There is also a focus on the more urban wildlife that exists on the Fair site, centering species like foxes, coyotes and raccoons that are associated a bit more with revels and mischief.

Emily can be located at the Poster Artist Booth just inside the main Dragon Admissions entrance.

Do you want an opportunity to design a poster for an upcoming Fair? Please share some samples of your work or a link to your portfolio. For more details and an extensive gallery of past posters, visit oregoncountryfairposter.com.

Thank You

As a 501(c)3 non-profit organization, the Fair relies heavily on the abundance of donated time, talent and resources of wonderful volunteers. We would love to be able to thank everyone individually, but given the limits on our space and your time, here are a few individuals and businesses whose contributions over the past year have extended the Fair's capacity to put on an event of the highest quality and develop our year-round programs.

Please join us in thanking and supporting them whenever possible: James Bateman for advertising and media assistance; Lauren Jerome for creating our new .org site; Jon Steinhart and Sean Lindsey for the Sunshine Database; the folks at Travel Lane County; the amazing staff at the Long Tom Watershed Council;

the Kesey family; the teams from AT&T, Verizon and T-Mobile; Kim from JD Fulwiler Insurance; the generous folks at Groundwork Organics; Mountain Rose Herbs; Territorial Seed Company and Tom Verhoeven at Peoria Gardens; The WOW Hall; all the incredibly helpful staff from Key Bank in Veneta and downtown Eugene; the staff at Banner Bank in Veneta; the fine folks from Bear Comm; Dave D'Vanzo and the staff at Lane Electric; and our dear friend Thom Lanfear.

Special thanks to our land use attorney Michael Gelardi and Amanda Walkup our corporate attorney; members of the Veneta community have worked with us since 1996 to make the event run more smoothly. This year thanks go to Mindy Sandford, Kyle Schauer and Ric Ingham from the City of Veneta; thank you to Veneta Mayor Keith Weiss and all the Veneta City Councilors; Andy Strickland and the Dodeca Art Farm for their years of support; Lane County Commissioners; the staff from the Lane County Sheriff's Office; the staff from Lane Fire Authority; Lane County Land Management; the Fern Ridge Chamber of Commerce; and last but not least, all of the intrepid volunteers who donate huge amounts of time and expertise to the Fair and who deserve recognition for their extraordinary generosity and commitment. From Culture Jam, to Fair Philanthropy, to our ongoing efforts to steward the Fair's resources and promote the Fair's vision and values in all we do, we are blessed by your generosity and creativity. We couldn't do any of it without each and every one of you! From the bottom of our hearts, THANK YOU.

Keeping it Green

To demonstrate our commitment to making an event built on sustainability and care for our planet, the Fair has identified reducing our carbon footprint as an important area where we can have an impact. Fair staff and volunteers are engaging in understanding our current carbon impacts to identify areas where we can make significant improvements. Xavanadu hosts a demonstration of composting toilets so we can see if this is a technology that will help meet the Fair's needs and goals. Reducing individual automobile trips to the Fair is one of the most obvious and clear ways to reduce carbon emissions. Thank you to everyone who bicycled, carpooled or took the bus to the Fair!

THE PIT CREW IS

Jesse Baumann, Ben Root, Scott Russell, Sarah-Kate Sharkey, Amy Wolfson, Nora Wolfson, Sadie Wolfson

Xavanadu is again proud to host art installations from friends old and new. Mathscaper's **Fundamental Vibration** is a vector equilibrium sculpture of a 3D Metatron cube with transverse waves interacting in constructive and destructive interference patterns. Doug Robertson studies our favorite icon in **Peaches Pantry**, channeling love, the earth and Fair family. Portal Arts Collective returns with **Heron's Embrace**, enveloping fairgoers and mellowing the glare of the world, allowing us to glimpse into the between-world realms. Jonas Hartley: Behold, **Eclipse**, the Fair feathered foal of her mama, Aurora. Step right up, peer deep inside, for you never know what you'll find... perhaps even an eternal spring within the **Infinity Garden** of Dena Schofield. Classic Xavanadu friends James Sartor and Justin Kittell accent a number of locations, including summer's most showy butterflies. John Roberts' **True Mirror Palace** is an enchanting place to discover your real self up close and personal, like you have never seen before. Don't stop here, though, as there are more surprises for those who wander with an open mind!

The **OCF StewardShip** showcases the Fair's sustainability and conservation efforts. Learn a fresh perspective and enter to WIN a raffle in **StewardShip's Passport Scavenger Hunt!** This interactive journey takes you through an informative exploration of Fairlands with your very own passport in hand. Travel documents are available for pickup at the booth in StewardShip or at Passport Stations located throughout the Fair. Limited supply – first come, first serve. The grand prize drawing—for a pair of three-day Fair tickets with Zumwalt camping passes in 2025—happens on Sunday at 5:00. Will you be one of the lucky winners? One thing for sure is you will have a blast!

At StewardShip, you can join a fun workshop to **upcycle and transform any t-shirt** (Fair or otherwise!) into a new piece of wearable art! With endless possibilities, you'll learn to cut, twist, deconstruct, reconstruct, recycle and reinvent your t-shirt. Go punk or go funky, the choice is yours! Must bring your own t-shirt to participate. StewardShip also offers

opportunities to learn about the Fair's environmental programs and leadership for more than 50 years. Join us to make gorgeous **nature weavings, handmade paper or spin art**. Visit the rainbow warriors, let us spark some joy and snap your photo as you groove through the **JOY portal**. Post those pics to **@XAVANADU** to join our social media page. You also won't want to miss **EarthCapades, Honey of the Heart, and Hello Mr. Joe** for comedy, music, juggling, storytelling, theatrics and circus antics that demonstrate how saving the planet can be fun!

We work to create a Village vision of love, peace, trust, justice, cooperation, equality and social service by believing in dreams, thinking of others, valuing differences and experimenting with new ideas. Archaeology Park ^[B8]

Step back in time along the banks of the Long Tom River with Ark Park's rich educational, research and preservation experiences. Our buildings of hand-split cedar were built with traditional construction methods. The Park hosts demonstrations on traditional skills, including flint knapping, fire making, cedar log splitting, hide tanning and basketry. Learn about the Kalapuya people, their history and the world they lived in then and today, including how the Kalapuyans managed their landscape and harvested its bounty. Visit with our archaeologist at the Ark Park museum to learn about the U of O archaeological studies during the 1980s that found over 10,500 years of cultural history and saved the Fair. And peruse replicated items and instructional books produced by our demonstrators for sale at the Trade Booth. Join our workshops or just stop by and learn something new about some very old skills.

Fair philanthropy

The Fair has been rooted in philanthropy since it began as a fundraiser for a children's program more than a half century ago. Our philanthropy is focused on building community and helping people thrive.

We have three grantmaking programs that together have donated more than \$1.5 million: The Bill Wooten Endowment Fund, the Jill Heiman Vision Fund and Board of Directors donations. To learn more, wander over to Wally's Way to visit the Galleria Philanthropia booth or visit oregoncountryfair.org.

Jill Heiman Vision Fund

Five nonprofit groups with proposals related to the environment and sustainability will receive grants from the donations made to the Jill Heiman Vision Fund at this year's Fair.

- **Whole Earth Nature School** will pay park rental fees for its Summer Camp program that helps connect youth with nature through skill-building and education.

- **Northwest Youth Corps** will purchase work boots, gloves and work shirts to offer to youth participants who face financial barriers to participating. Funds will also repair zippers on the sleeping bags that are loaned out each year.

- **McKenzie River Trust** will remove invasive species from the Oregon oak and prairie habitat at Coyote Spencer Wetlands to promote native plant growth.

- **Cascadia Wildlands** will use the grant to outfit a summer camp kitchen for the wildCATs volunteers, who field-check proposed timber sales on federally

managed lands. The funds will also support volunteers providing educational outreach on the threats to old-growth forests on public lands.

- **Beyond Toxics** will design a community public education campaign about the harmful effects of artificial turf on wildlife and water quality, focusing on playing fields proposed at Golden Gardens park in the Bethel area.

Look for donation boxes at Information Booths around the Fair. Food vouchers, cash or checks may be donated. Checks and cash donations are tax-deductible; please include address for mailed receipt. The Board will triple the power of your gift by matching every \$1 donated with \$2, up to a total of \$20,000.

Bill Wooten Endowment Fund

The Bill Wooten Endowment Fund awarded a total of \$15,000 to support nonprofit organizations serving youth in the Fair's neighboring communities in the Fern Ridge area. The grants tangibly represent the Fair's deep appreciation of our home community.

Annual Endowment Funding

- **Culture Jam**: Fern Ridge area youth will receive scholarships to attend this eight-day arts-based empowerment camp for teenagers held each summer at the Fair site.

- **Elmira Elementary School**: The "Shake A Leg Dance Project" will allow K-5 students to learn about and practice different dance forms with a professional dancer/teacher.

- **Lane Arts Council**: The Fern Ridge Public Library will offer three free workshops combining reading and art, focusing on the intersection of science and art. The program will engage students' creativity in learning about ecology and conservation.

- **Rural Art Center**: The Crow-Applegate-Lorane School District depends on the Center to provide after-school multi-cultural art instruction on shortened school days.

- **SMART – Start Making A Reader Today**: Community volunteers will be trained and supported in helping students at Elmira and Veneta Elementary Schools develop a love of reading, with books representing diverse identities.

- **Veneta Elementary School**: Through the "Bend It, Build It, Be Creative with Wire Sculpture" students will create an animal- or human-inspired sculpture. Children will learn about anatomy, 3D design, and basic color theory, as well as how to use proportions, construct a frame and build a body around the frame.

- **Wordcrafters**: This collaborative project with Elmira High School will provide a creative writing residency focusing on spoken word writing and performance.

Leslie Scott Imagine Grant Award

The annual Leslie Scott Imagine Grant Award is recognition given to the endowment-funded project best representing former Fair General Manager Leslie Scott's contributions, which included: providing opportunities for youth; reaching out to our neighbors; and nurturing creativity of all sorts. This year's awardee is Elmira Elementary School.

Ambiance on the path

Keep your eyes and ears open as you wander through the Fair; a magical experience is waiting for you just around the bend. Ambiance Wandering Performers bring physical and performance artistry to another level. This year's artists create a delightful array of experiences throughout the Fair. It's a living art treasure hunt, can you find them all!?

DRAGON PLAZA

Don't miss our special Dragon Plaza performances and activities! Each day opens with a whimsical welcome from Diva Galactika stilters and Revelers Contemporary Circus along with energizing marimba from Kwaziwai Marimba. Once you make it through the plaza and into the paths of the Fair, you'll be ready to frolick. And later in the day, find yourself entranced by the West African rhythms of Fode Sylla and Mashugge Drum and Dance to send you off grooving with a smile.

Kwaziwai Marimba from Kutsinhira Cultural Center

Kwaziwai rocks the marimba with traditional and contemporary Zimbabwean music. Based in Eugene, Oregon, we are a group of young adults who have come to know each other through school and music. As a collective we enjoy putting on energetic shows that showcase the detailed and vibrant nature of Zimbabwean music.

Revelers Contemporary Circus

High flying aerial acts here to thrill and amaze you with the impossible! Delight in our revelry as we fly through the sky.

Diva Galactika

Stilters extraordinaire present a stilt-walking Barbie fashion show!

Fode Sylla and Mashugee Drum and Dance

Bringing traditional rhythms from West African to heat up and energize the Dragon Plaza every afternoon.

ON THE PATHS

Towering dream creatures. A friendly card game. Talking trees. Whimsical serenades. Wise words. Works of that art come to life. What will you discover on your wander through the Fair?

RaZzle DaZzle Presents!

Step into the Carousel of Dreams, where laughter gallops and dreams waltz amidst a grandioso display of shiny, sparkly, prancing pony pizzazz!

Calliope Circus: Dare to Be Here!

Fantastical beings defy imagination, challenge sensibility, engage the reluctant opening of the heart. What new magical adventures will they have in store for you this year?

Fou Fou Ha joins High Step Society

Bringing you a magical show filled with musical delights, whimsical dance numbers and a conjuring of technicolor elixirs that will leave you tasting the rainbow! These tricksters are compiling a concoction for all to enjoy and will no doubt entice you to play and join in their spectral tomfoolery.

Petit Cabaret

Drink a memory, eat a moment, choose a mystery... in the Petit Cabaret, a venue for one. Sit with your hostess and her extraordinary menu, where each dish is an invitation into an unexpected and profound experience. Set within a cozy, transparent room, the Petit Cabaret is a personalized and interactive performance.

Frick Frack Blackjack

An interactive improv blackjack game where you bet anything except money.

Mythic Times

Transcends dimensions, inviting mythical creatures from diverse worlds to convene on earth, each possessing unique powers and abilities. The creatures are on a mission to help humanity reconnect with their cosmic nature, reminding them of their inherent capacity for magic, play and the untapped potential within.

tonnhi

A singer/songwriter/producer bringing a unique set of joyful music to the paths. Full of energy and heart, you won't be able to keep your body from moving along to what you find.

The Fighting Instruments of Karma

We are the Fair's very own Marching Chamber Band Slash Orchestra!

Coyote Rising Giant Puppets

Larger than life beings frolic and play. We meet and greet, involving Fairgoers of all ages in performance vignettes.

Chicken Little

The Fair's imaginative, unpredictable stilt-performance troupe has been trying something different since 1979.

Jonny Hahn

Mesmerizing political path piano and vocals.

Radar Angels

Happy sparks will fly when the Radar Angels welcome wondrous Fair wanderers with a musical dragon flair.

PARADES

Parades of incredible costumes, artistry and music are a time-honored tradition. Catch one of our parading groups throughout the weekend. And maybe even join in the fun?

Peachi the Dragon Parade

Everyone is welcome to join in Peachi the Dragon's Parade! Come meet Peachi at the Dragon Lair in Chela Mela Meadow at 1:45 each day.

Risk of Change

Risk of Change's wacky characters weave around the 8 and also invite Fairgoers to jump into afternoon parades behind the band.
